

Title: Procurement Request - Optimization Phase

Department: Experimental Algorithms Unit

Dear Vendor,

We are initiating the second phase of our edge AI deployment and require the following:

- 3x SLA-Fusion AI Framework License
- 25x Optical Data Bus Extender (ODBE-5G)

Justification:

To support model deployment on quantum-connected edge devices.

Requested Info:

- Item availability
- Cost breakdown
- Bulk discount options (if any)

Sincerely,

Ahmed Kassim

Lead AI Engineer
